

# Welcome to Springview Academy

# OUR STORY

Springview Academy is an early childhood education spot like no other. We value positivity, fun, respect, and gratitude. We pride ourselves in enriching the lives of our students.

Our owner Lety Carvajal is a former Miami Dade County school teacher who has over 20 years of early childhood education experience. She holds a Bachelor's degree in Elementary Education, a Master's degree in Educational Administration and is certified by the state of Florida in Early Childhood education. Her intelligence is what brought us here but her compassion as a special needs mother is what keeps us going. She has found a way to blend professional and personal experience into a stellar foundation here at Springview. We pride ourselves in providing a holistic approach that centers the students and concentrates on citizenship building, strengthening independence, and preparing students for their next levels of education and life.

Our teachers are the heart of our operation. Our teachers take the time to get to know each student and their families to work collaboratively on their development. Each of our teachers are highly trained, state certified, bilingual, nurturing and overall passionate about furthering the student's success. They also undergo continuing childcare development training and are first aid and CPR certified for infants, children and adults.

# WE ARE SPRINGVIEW ACADEMY

Strives to create an enriching educational environment that

Provides an exceptional learning experience.

Reinforcing students to be self-sufficient, social, bilingual and

Imaginative learners that are facilitated by

Nurturing, certified experienced teachers and staff. Providing each student with individual

Goals that are developmentally appropriate. We use a

Variety of technology, including Ipads, to assist in creating an

Ideal environment that foster growth and

Eternal leaders that are ready to face the

World that awaits them.

**ACADEMY**

# WHAT WE BELIEVE IN

## **Positivity**

We always share positive energy.

## **Fun**

We want everyone who enters our school to laugh, smile and have a good time.

## **Respect**

We value and care for others and ourselves. We make everyone feel welcomed.

## **Gratitude**

We are grateful and recognize the good in people and the opportunities we are given.

# WHAT MAKES US SPECIAL

## Small Class Sizes And Individualized Attention

Our classrooms are uniquely designed for one small group of each age. Having one Lead Teacher for each small class allows for individualized attention. Combining our rich learning environment with our intentional teaching maximizes the personal experience your child will receive at our school.

## Communication

We also utilize a program named Brightwheel. Brightwheel is a program that allows us to keep track of fun things about the students while also allowing us to send updates to parents about upcoming events or need to know announcements.

## Healthy, Fresh Breakfast, Snacks And Warm Lunch Provided

We serve vegetables and fruit, all included, as part of our snacks each day, as well as a warm lunch. Our goal is not just caring for and teaching children but caring for their health too. Several of our Schools participate in the Child Food Program (CCFP).

# Accreditation

Springview Academy is also accredited by the National Early Childhood Program (NECPA). This means that Springview Academy meets all the requirements involving teachers and their teachings, sanitation, and overall childhood development to ensure that each child reaches their fullest potential in a safe and engaging environment.

## Events and Shows

### Kids (And Parents) LOVE

We have several productions every year, including a Fall Festival, Holiday Show, Snow Day, Mother's Day Celebration, Graduation and more. Kids and parents really get a kick out of these celebrations but not only is it lots of fun but our students are practicing skills they will use later in life such as public speaking, presenting and socializing.

# HAPPY STUDENTS, HAPPY PARENTS

The best in town. Very professional and kind. My wife and I are very happy. We couldn't pick a better place for our daughter - Josue Torres

One of the best preschools I have ever stepped foot in!! Very clean, organized and welcoming. The teachers and staff are very professional, friendly and respectful. They are caring towards the kids. Kids are treated fairly. They learn tons! You will not be disappointed with this place. - Maria Portobanco

Springview is an amazing school. My daughter has been there since she was one and she is now in first grade. The staff treats you like family. The teachers are very caring and professional. We couldn't have asked for a better school - Angela Palacios

Springview Academy is truly amazing! The best decision I made for my son was to start school here. The staff and teachers are wonderful, very sweet and patient. I love how they always have activities for the kids. My son loves going to school!! I recommend them 100% - Cindy Lerma

# COVID-19 PRECAUTIONS

Times have certainly changed but we have changed with them. Here at Springview we are dedicated to staying safe and healthy and have implemented new policies to ensure that.

- Every staff member and student over the age of three wears a facial covering.
- Temperatures of students and staff are recorded each morning as they come in.
- Students and staff that are feeling sick are to stay home.
- High contact surfaces are disinfected frequently.
- Personal hand washing frequency has increased.
- Daily Health Checks
